Make Life Simple™

Wireless Charging Base

The ideal solution for charging your wireless integrated or compatible device

The PNY QI wireless charging base enables you to charge your QI compatible device without requiring a cable to plug it in. Just put your device on the base and the induction interaction will charge your phone or tablet instantly. Need to send a text? Receive or make a call? Simply pick it up without having to unplug it, use it, put it back on and your device will charge again.

Packaging displays a magnetic window to show the product livestyle as well as a user-friendly explanation.
